Wishing everyone a Happy Sunday. Hope you are in good health, have an abundance of wisdom and prosperity going for you in your life. Hope your family and friends are well, and in good health. Life is good. Life should be enjoyed to the fullest each and every day. Giving thanks to God and Our Creator, The Universe. It is providing all good things for us to exercise our talents to bring things into existence.

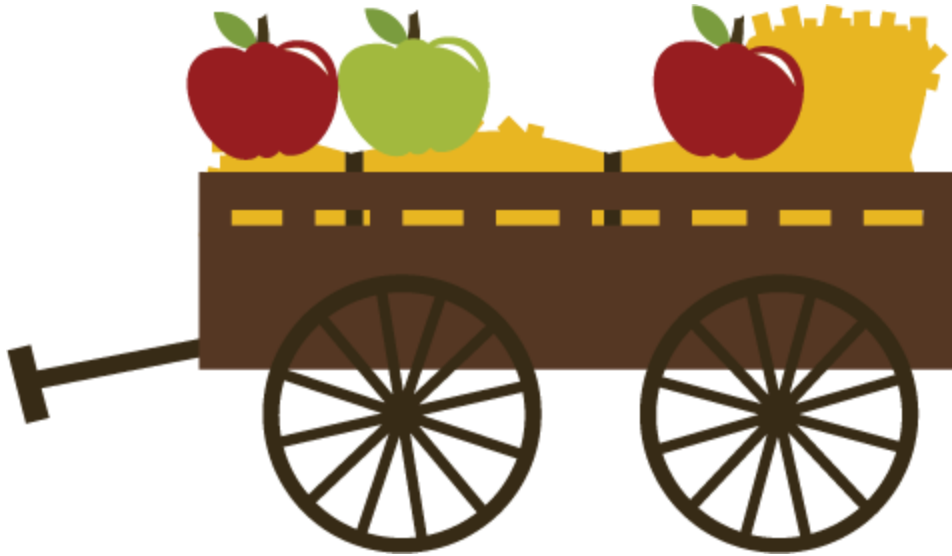

Sean Diddy Combs is doing well, under a doctor's care, taking it easy, being careful to not allow stress to elevate his blood pressure.

This digital style board is created by Diddy's personal stylist, Derek Roche. These are fashion and fragrance suggestions being presented to Diddy. If Diddy wants to order items, Derek can order them to be shipped to Diddy's home. Once all the items have arrived, Derek will step in to do an in-person fashion consultation with Diddy. This will include a breakfast, and lunch, or if done on a Sunday, a Sunday Brunch.

Starting with a breakfast of homemade apple juice, apples picked from a Farmer's Market, or apple orchard. Diddy's private chef makes the best tasting apple juice.

Pink Lady apples make the best tasting apple juice, because they are very sweet. Second to best are Champagne apples.

Diddy's personal chef will prepare Neiman Marcus chicken salad, served with croissants from www.thebreadlounge.com located at 700 S. Santa Fe Los Angeles, CA 90021.

Neiman Marcus chicken salad recipe is on You Tube at <https://youtu.be/8RWfzVWsD3Q?si=cYWTQ8IHbP-gXBzu>

The ingredients are simple: Chopped white chicken, chopped celery, sliced red grapes with seeds removed, toasted pecans, almonds or walnuts, whatever you prefer. Chopped fresh parsley, the best mayo, salt and pepper to taste. And one cup of heavy whipping cream, whipped to stiff peaks form. This will be added last to fold into the chicken salad, that will give it a rich and creamy texture.

For dessert, macarons from www.bottegalouie.com They have a location in downtown Los Angeles, and in West Hollywood, California.

www.bottegalouie.com

www.bottegalouie.com

They have the prettiest macarons. The boxed treats make nice gifts for family and friends.

Derek Roche can help arrange food deliveries if the private chef requests his help, otherwise, this is a responsibility of the chef.

Serving chicken salad with croissants in an English Tea presentation is an idea for Sunday Brunch at home.

Now, moving on to the fragrance suggestions. On You Tube, many fragrance ideas are gotten from The Bow Tie Fragrance Guy,
<https://youtu.be/VZ6SS67-ADU?si=0ACmC7cwVjL9nEgD>

He can be contacted at email address
bowtiefragranceguy@gmail.com

Here are some fragrances he suggested, Diddy may want to try.

Some of the fragrances can be purchased at Neiman Marcus, and scentsplit.com
You can order samples for \$24.99

The first fragrance is called Valiant.

Moving on the the fashion collection,
www.derek-rose.com will be presented.

Summer is here, Diddy loves to swim, so a nice selection of Derek Rose swim wear will be presented. Before we move on to that, I almost forgot to present Diddy's favorite barber, Curtis

Smith of Harlem, New York. Curtis has an awesome selection of barber, shave, and skincare products at www.xoticsproducts.com

Diddy keeps up his appearance by always making sure his hair and beard is trimmed tight. It is good to learn the art of barbering with a straight edge razor and clippers. Most men always want to look well put together. You can keep money in your pocket knowing how to cut hair and trim beards and facial

hair. Going to a barbering school getting a license is even better.

Whatever Diddy doesn't want, Derek can have UPS, or FedEx pick up and return packages. Easy. Not a lot of stress on Derek.
